Where to focus next

Read directly from the reported figures above

Defend the 8–10 AM peak

Hours 8–10 alone bring \$256,542.79 — 36.7% of all revenue. Staff and stock for this window first; promotions here compound fastest.

Lift the low-ticket majority

Low Sale orders (under \$5) account for 93,463 transactions but only \$293,085.49. Pairing bakery with coffee is the clearest path to raise the \$4.69 average order value.

Lead with proven winners

Barista Espresso is the top product type at \$91,406.20, and Sustainably Grown Organic Lg leads individual items at \$21,151.75. Feature these in bundles rather than discounting the tail.

Recover the evening tail

From 7 PM onward revenue falls to \$31,382.32. Late-day offers on tea and drinking chocolate target the hours with the most headroom.
